Practice Areas

Business Law

A director in the firm's Business Law Group, Jaclyn concentrates her practice in the areas of general corporate law, commercial transactions, mergers and acquisitions, and business planning. She represents clients in complex mergers and acquisition transactions including stock and assets sales and real estate, counsels clients on securities and offerings matters, advises clients regarding proper business structure and succession planning matters and general day-to-day operational issues, assists clients with minority and women owned business certification, and has experience involving entity formation, restructuring, and dissolution, along with reviewing and drafting various other corporate documents including non-disclosure agreements, employment agreements, settlement and release agreements, and promissory notes and security agreements. She has worked with clients in composing terms and conditions and privacy policies, as well as social media policies.
